

Bromyard Osteopathy & Natural Therapy Centre

Dear

This letter/e-mail is to confirm your child's appointment on

Please note the following information:-

- Prior to your child's first visit it is important that I receive a completed and detailed medical information/history form. This will enable me to have an overview of the current complaint and aid in assessing the condition and in reaching a correct diagnosis.
- On your first visit, I will usually want to make a hands-on examination of your child's head, spine and pelvis.
- The first appointment will be up to half an hour long – this first appointment involves a period of examination/diagnosis and any remaining time is spent on treatment. The length of the actual treatment is dependent on the length of the initial examination. This can vary with the complexity or the severity of the problems that a patient may have.
- It is important that I stick to a timetable for my bookings so if you are late you will be charged the full fee, but your treatment will only last for your remaining appointment time
- During the first consultation/examination a detailed explanation of the diagnosis and treatment will be given to you. Please do not hesitate to ask any questions about anything you do not understand about the proposed treatment.
- The current fees are **£72** for the first visit and **£58** for subsequent visits. Appointments will last up to half an hour. However, please note that appointment lengths may vary as some conditions require less treatment time. The important point to remember is that your osteopath aims to achieve the maximum benefit for your child's condition during each treatment session and the fee reflects your osteopath's experience and decision on each occasion.
- If you are insured you are expected to settle the bill for each visit yourself and you will be given a receipt so that you can reclaim the fee from the insurance company.
- Payment can be by **cash or cheque** and payable at each visit. Unfortunately we **CANNOT accept payments by credit or debit card.**
- **If for any reason you decide not to attend this appointment, please call as soon as possible to cancel as I can then give it to another patient. If you miss or cancel with less than 24 hours notice, then the clinic's policy is to charge the full appointment fee.**
- **Please note that by returning this form you are confirming that you wish to attend the appointment and the clinic's policies will apply.**
- I look forward to seeing you
Michelle Davies BSc (Hons) Ost Osteopath

Consent Form

Name.....

Date.....

I agree to the terms of this welcome letter containing clinic policy.
